Their words, not ours.

Easily my favorite bar to visit in Chicago. For a city known for pizza, JTap offers some of the best around, hands down! Every time I go, the owner and staff make me feel welcome and make sure everything is taken care of!

The team does everything to take precautions around COVID to make sure their customers and staff are safe.

Highly recommend Jefferson Tap for a happy hour, a late night drink, or a private party in the upstairs loft!

Would give more stars if I could!
