Their words, not ours.

Easily my favorite bar to visit in Chicago. For a city known for pizza, JTap offers some of the best around, hands down! Every time I go, the owner and staff make me feel welcome and make sure everything is taken care of!

The team does everything to take precautions around COVID to make sure their customers and staff are safe.

Highly recommend Jefferson Tap for a happy hour, a late night

drink, or a private party in the upstairs loft!

Would give more stars if I could!

The novel Corona Virus and the year of 2020 put the entire planet on hold.

Without the support of our friends and family, along with our regulars whom we consider family, Jefferson Tap would not be here to host your upcoming special events.

We sincerely thank you for your patronage, support and loyalty and look forward to brighter days to come.

From the bottom of our hearts, we thank you for your continued support and look forward to seeing you at The Tap!
