The Loft

Floor Plan + Event Space Photos

The **Loft** at **Jefferson Tap** is located on the second floor and overlooks Jefferson Street facing west. The **Loft** features a variety of sitting options for guests, that range from the bar counter, tables and even booths alongside a rustic brick wall. This space has seating for up to 70 people but in addition it has a maximum capacity of 150 to mingle around and enjoy a great conversation.

The **Loft** has a variety of features, one of them consists of the use of six televisions mounted in different areas to accommodate a variety of sitting locations. It also features a drop-down projector that is compatible with both Mac and PC. In addition, the **Loft** is fully equipped with A/V and microphone, which is perfect for any personal and professional event. The **Loft** can be tailored and customized for any floor plan or design.

Their words, not ours.

“Easily my favorite bar to visit in Chicago. For a city known for pizza, JTap offers some of the best around, hands down! Every time I go, the owner and staff make me feel welcome and make sure everything is taken care of!”

The team does everything to take precautions to make sure their customers and staff are safe. Highly recommend Jefferson Tap for a happy hour, a late-night drink, or a private party in the upstairs loft! I would give more stars if I could!”

The Loft

Their words, not ours

"The GM Mara and her outstanding crew did an absolutely wonderful event. Their communication was outstanding, food was very good, and attention to detail was spot on. I highly recommend anyone with a party up to 1254 to book here. Mara, thank you so much for making our Friday night event unforgettable".
